

Notice to Water Well and Pump Contractors

On-call Water Well and Pump Maintenance Services for Arvin-Edison Water Storage District

Arvin, California

March 16, 2026

The Arvin-Edison Water Storage District (“District”) has prepared a Request for Qualifications (RFQ) for the following services:

On-call Water Well and Pump Maintenance Services

The District desires to enter into an agreement with a qualified water well and pump contractor which will provide the District with maintenance and repair of District groundwater production wells and pump stations on an “on-call” basis.

The RFQ package will be available after 9:00 AM March 17, 2026, and may be obtained by accessing the District’s website. The address to the website is www.aewsd.org. From the home page, go to the “Construction/Job Openings” tab, then click on “Requests for Proposals and Vendor Opportunities”, this link will take you to a page displaying the current list of Requests for Proposals. There is no charge for downloading a copy of these documents from this website.

All questions concerning the RFQ and the District’s selection of a consultant should be submitted in writing and directed to:

Samuel Blue
Arvin-Edison Water Storage District
e-mail: sblue@aewsd.org

SUBMITTAL PACKAGE in response to the District’s RFQ will be received by sblue@aewsd.org until **5:00 p.m. April 6, 2026**.

This invitation is open only to consultants with staffed offices within a 100-mile radius of the City of Arvin. The work shall be performed by qualified staff that are located within the 100-mile radius and are familiar with the District’s standards and requirements.

The District assumes no responsibility for non-receipt of submittal package due to any delay. It is the proposer’s responsibility to meet the deadline stated above.

No submittal package will be considered unless it is made in conformance with the requirements of the RFQ.
